

## Mango REIX is the ultimate cloud-based collaboration platform for Commercial Real Estate

## Mango REIX

Central repository of the firm's knowledge – instead of Excel/Word/PDF files, emails, random notes

Direct control over your proprietary transaction and property level data

Accountability/full audit trail of all data that enters the system

Turns your compliance cost center into a "value add" that feeds quality data to other functions

Generates savings in the form of lower audit fees and administrative head count
